

Do you live in Manningham or Toller wards of Bradford?

Is your house built using traditional stone?

Are you interested in finding out how you could insulate your home and make savings on your Energy Bills?

Are you interested in saving carbon emissions in your home and tackling climate change?

Tracy Brabin
Mayor
of West Yorkshire

UK Government

This project is funded by the UK Government through the UK Community Renewal Fund.

If the answer is **YES** to any of the above then please contact **Parth Naik** on: Parth.Naik@manninghamha.co.uk or call Parth on **07939504284** to see how we can help you make informed choices to improve your home and reduce your energy bills.

You can get free help on the following:

- **FREE** energy assessment on your home
- **FREE** energy advice hints/tips to **SAVE ENERGY AND CARBON EMISSIONS**
- Access to **FREE** training that will provide you with **QUALIFICATIONS** needed to work in the fast-growing retrofit sector.

This project is funded by the UK Government through the UK Community Renewal Fund. The UK Community Renewal Fund is a UK Government programme for 2021/22. This aims to support people and communities most in need across the UK to pilot programmes and new approaches to prepare for the UK Shared Prosperity Fund. It invests in skills, community and place, local business, and supporting people into employment.
